

It's a world of laughter, a world of tears
It's a world of hopes and a world of fears
There's so much that we share that it's time we're aware
It's a small world after all

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

There is just one moon and one golden sun
And a smile means friendship to everyone
Though the mountains divide
And the oceans are wide
It's a world of laughter, a world of tears
It's a world of hopes and a world of fears
There's so much that we share that it's time we're aware
It's a small world after all

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

There is just one moon and one golden sun
And a smile means friendship to everyone
Though the mountains divide
And the oceans are wide
It's a small world after all

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

It's a small world after all
It's a small world after all
It's a small world after all
It's a small world after all
